Overview

Personal

Born on 1984, married, Turkish citizen and speaks Turkish, English and Norwegian.

Scholarly metrics

Impact: citations 1206, h-index 20, and i10-index 34 according to [Google Scholar](#).

Publications: 14 journal articles, 45 conference/workshop papers, 3 book chapters, and 1 technical report.

Projects

Participated: 9 EU projects, 6 national projects, and 7 industrial projects.

Lead role: TheyBuyForYou (EU), Gemini Big Data Centre (national), Optique (EU), iCamp (EU), LEFIS (EU), Law&ICT (EU), and Document Mining&Search (industrial).

Funding raised: Gemini Big Data Centre (national), MAPLE (national), Byte (EU), LEFIS (EU), Law&ICT (EU), and Document Mining&Search (industrial).

Open software developed: 6 tools developed within the context of different projects.

Teaching/supervision

Courses taught: 1 PhD, 1 master, and 5 bachelor level courses.

Supervision: 1 PhD, 2 master, and 1 bachelor students.

Service

Scientific: 5 editorial board member, 3 conference chair, 4 international project reviewer, 22 journal reviewer, and 20 conference reviewer/PC roles.

Educational: 1 PhD committee chair, 1 master thesis external sensor, and 1 education committee member roles.

Administrative: 2 hiring committee chair, and 1 interview committee member roles.

Network

Academic: more than 80 international co-authors – see [dblp](#) and [Scopus](#).

Industry/public: Statoil, Siemens, Ahus, Aker Solutions, Aibel, Gassco, Backe, DNV GL, etc.

Research interests

Web Technologies, The Semantic Web, Data Management and Integration, End-user Development, Human-data Interaction, Pervasive Computing, Adaptive Systems, Knowledge Representation, Software Engineering, and Big Data.

Employment

2018–today	Senior Research Scientist at SINTEF Digital , Oslo, Norway Seeking and leading projects; delivering and developing research-based solutions.
2017–2018	Senior Engineer at DNV GL, Digital Solutions , Høvik, Norway Seeking and leading projects; delivering and developing services and solutions; contributing innovation activities, sales, and marketing.
2016–today	Associate Professor at Norwegian University of Science and Technology – NTNU , Gjøvik, Norway Conducting research on Semantic Web technologies and HCI; writing research proposals, teaching bachelor and master courses on Web technologies; supervising students.
2014–2015	Associate Professor at Gjøvik University College , Gjøvik, Norway Conducted research on Semantic Web; taught bachelor courses on Web technologies; supervised bachelor and master students.
2012–2015	Postdoctoral Research Fellow at University of Oslo , Oslo, Norway Conducted research on visual query formulation; contributed to EU projects and proposal writing ; contributed to teaching in a bachelor database course; supervised master students.
05-10/2012	Postdoctoral Research Fellow at University of Leuven , Leuven, Belgium Conducted research on pervasive computing and the Semantic Web; contributed to an EU project.
2008–2012	PhD Research Fellow at University of Leuven , Leuven, Belgium Conducted research on pervasive and adaptive computing; contributed to an EU project and proposal writing for national projects.
2006–2008	Team leader and Research Assistant at Isik University , Istanbul, Turkey Acted as the lead researcher and developer; conducted research on e-learning; contributed to EU projects and proposal writing .

Mobility

05-08/2013	Visiting Researcher at University of Oxford , Oxford, the UK Collaborated on visual query formulation research in an EU project.
2008–2012	Visiting Researcher at The Open University , Milton Keynes, the UK Short research visits in the context of my PhD work.
2008–2012	Visiting Researcher at Vienna University of Business and Economics , Vienna, Austria Short research visits in the context of my PhD work.

Education

- | | |
|-----------|--|
| 2008–2012 | Ph.D. in Computer Science at University of Leuven , Leuven, Belgium
Thesis: Exploiting metadata, ontologies and semantics to design/enhance new end-user experiences for adaptive pervasive computing environments
Supervisors: Prof. dr. Patrick De Causmaecker, Prof. dr. ir. Erik Duval, and Prof. dr. Piet Desmet |
| 2006–2008 | M.Sc. in Computer Engineering at Isik University , Istanbul, Turkey
Thesis: A learning object harvesting model and a sample application
Supervisor: Prof. dr. Selahattin Kuru |
| 2002–2006 | B.Sc. in Computer Engineering at Isik University , Istanbul, Turkey |

Other Competences

Pedagogical

- | | |
|-------------|--|
| 2018 Spring | PhD supervisor seminar at Norwegian University of Science and Technology , Trondheim, Norway
PhD supervision training – 15 hours |
| 2016 Spring | Teaching and Learning in Higher Education at University of Oslo , Oslo, Norway
Basic pedagogical competence – 100 hours |

Interdisciplinary

- | | |
|------------|--|
| 2009 Summ. | Joint Summer School on Technology Enhanced Learning , Terchova, Slovakia
One week of intensive programme |
| 2007 Summ. | Legal Aspects of Information Society , Istanbul, Turkey
Two weeks of intensive programme |

Management

- | | |
|-----------|--|
| 2018 Fall | Project Management at SINTEF , Trondheim, Norway
Two and half days course. |
|-----------|--|

Language

- | | |
|-----------|--|
| 2015–2016 | Norwegian at University of Oslo , Oslo, Norway
Elementary (15 sp.), intermediate (15 sp.), and advanced (20 sp.) – 50 study points total |
|-----------|--|

Projects

Academic International

- | | |
|-----------|--|
| 2018–2020 | TheyBuyForYou – Enabling procurement data value chains for economic development, demand management, competitive markets and vendor intelligence |
|-----------|--|

- Programme: EU H2020, 3.2M EUR – <https://theybuyforyou.eu>
 Role: **Technical coordinator and WP leader** – managing technical and scientific progress of the project and leading WP on data integration and ontology development.
- 2018–2019 **euBusinessGraph** – Enabling the European Business Graph for Innovative Data Products and Services
 Programme: EU H2020, 3.6M EUR – <http://eubusinessgraph.eu>
 Role: **Researcher** – contributing research on data integration and ontology development.
- 2014–2017 **Byte** – The Big data roadmap and cross-disciplinary community for addressing societal Externalities
 Programme: EU FP7, 2.8M EUR – <http://http://byte-project.eu>
 Role: **Researcher** – contributed to **proposal writing** and research on industrial use cases.
- 2012–2017 **Optique** – Scalable end-user access to Big Data
 Programme: EU FP7, 13.8M EUR – <http://www.optique-project.eu>
 Role: **Lead researcher** – managed the work package activities on visual query formulation interface, and developed an open source visual query system.
- 2009–2012 **ROLE** – Responsive Open Learning Environments
 Programme: EU FP7, 8.5M EUR – <http://www.role-project.eu>
 Role: **Researcher** – contributed to research on widget-based mashups.
- 2006–2008 **iCamp** – Innovative, inclusive, interactive & intercultural learning campus
 Programme: EU FP6, 3.4M EUR – <http://www.icamp.eu>
 Role: **Local project manager** – managed the local project team and contributed to research on networked e-learning tools.
- 2007–2008 **Law&ICT** – LAW&ICT Shared Virtual Campus
 Programme: Erasmus LLP, 370K EUR
 Role: **Local project manager** – led the local project team, initiated and contributed to **proposal writing**, and contributed to project activities.
- 2006–2008 **LEFIS** – Legal Framework for Information Society
 Programme: Socrates Thematic Network – <http://www.lefis.org>
 Role: **Local project manager** – led the local project team, initiated and contributed to **proposal writing**, and contributed to project activities.
- 2006–2008 **TREE** – Teaching and research in Engineering in Europe
 Programme: EU Thematic Network – <http://www3.unifi.it/tree>
 Role: **Local project manager** – led the local project team and contributed to research on problem based learning.

Academic National

- 2018–2021 **MDS** – Maritime Data Spaces (with industry)
 Programme: Norwegian Research Council IPN (Innovation Project for the Industrial Sector), 12M NOK (1.3M EUR), Norway
 Role: **Local project manager** – project management and research on data modelling and integration.
- 2018–2021 **DigiBuild** – Digitalising the construction process (with industry)
 Programme: Norwegian Research Council BIA (User-driven Research based Innovation), 43M NOK (4.5M EUR), Norway

- Role: **Local project manager** – project management and research on data modelling and integration.
- 2016–2019 **Gemini Centre on Big Data** – A collaboration and networking centre established between NTNU, University of Oslo and SINTEF
 Programme: Gemini-samarbeidet – <http://www.sintef.no/gemini-samarbeidet/>
 Role: **Principal investigator** – **proposal writing**, and sitting on the leader team.
- 2013–2015 **Semicolon II** – Collaboration in Public Sector
 Programme: Norwegian Research Council VERDIKT, Norway – <http://www.semicolon.no>
 Role: **Researcher** – contributed to research on search interfaces.
- 2009–2011 **MAPLE** – Mobile, Adaptive and Personalised Learning Experience
 Programme: iMinds – ICON, Belgium
 Role: **Investigator** – contributed to the **proposal writing**.
- 2008–2012 **IOF** – Harnessing collective intelligence in e-learning environments
 Programme: Industrial Research Fund (Industrieel Onderzoeksfonds), Belgium
 Role: **Researcher** – contributed to research as a part of my PhD studies.

Industrial

- 03-04/2018 **DREAM** – Emerging digital technologies within TEN (Technology Excellence network)
 Owner: DNV GL
 Role: **Contributor** – ontology-based requirements handling and verification.
- 02-04/2018 **Learning from Experiences** – Cost effective and safe operations through enhanced learnings from earlier failures
 Owner: Joint industrial project (JIP)
 Role: **Contributor** – design and development of an ontology-based requirements handling and verification tool in maritime domain.
- 2017–2018 **NORSOK - ZTI** – ontology-based requirements handling
 Owner: Standard Norge, Aibel, and DNV GL
 Role: **Contributor** – design and implementation of an ontology-based explorer for requirement management based on NORSOK Z standard.
- 2017–2018 **OREDA** – Offshore and onshore reliability data
 Owner: Joint industrial project (JIP)
 Role: **Contributor** – consultancy on reliability data collection, integration and management.
- 2017–2018 **Document Mining&Search**
 Owner: DNV GL
 Role: **Project leader** – initiated and contributed to the tender process and undertaken the design and implementation of a cloud-based semantic search and mining tool for unstructured data.
- 01-04/2017 **PUSH project** – engineering assistant
 Owner: Aker Solutions
 Role: **Contributor** – design and implementation of an ontology-based user interface specification and configuration tool.
- 2015–2016 **Ahus project** – Patient record management system
 Owner: Southern and Eastern Norway Regional Health Authority

Role: **Contributor** – design and implementation of ontology-based patient information system.

Collaboration Efforts/Agreements

2018–today	SINTEF and NTNU – Collaboration on research and teaching. Role: Undertaking a joint position and conducting joint project acquisition and master thesis supervision activities.
2017–2018	DNV GL and NTNU – Collaboration on research and teaching. Role: Undertaken a joint position; received DNV GL funding for teaching one master level course; conducted joint supervision and project acquisition activities.
2017–today	University of Oxford and NTNU – Collaboration on research. Role: Undertaking joint research and project acquisition activities.
2014–today	University of Oslo and NTNU – Collaboration on research and teaching. Role: Undertaken a joint position; received University of Oslo funding for research activities on Optique project; conducting joint supervision and project acquisition activities.
2012–2015	University of Oxford and University of Oslo – Collaboration on research. Role: Undertaken joint research activities, and had short and long research stays.
2008–2012	The Open University and KU Leuven – Collaboration on research. Role: Undertaken joint research activities, and had short research stays.
2008–2012	Vienna University of Business and Economics and KU Leuven – Collaboration on research. Role: Undertaken joint research activities, and had short research stays.

Teaching/Supervision

Courses taught

2016–today	Introduction to Research on Web Technologies at NTNU, Norway Master level, Lecturer , 3 semesters
2016–today	Web Project III at NTNU, Norway Bachelor level, Lecturer , 3 semesters
2016–today	Programming for Web II at NTNU, Norway Bachelor level, Lecturer , 2 semesters
2016 Spring	Special compendium in HCI at University of Oslo, Norway PhD level, Supervisor
2015 Spring	Programming for Web II at Gjøvik University College, Norway Bachelor level, Lecturer , 1 semester
2014–2015	Web Project III at Gjøvik University College, Norway Bachelor level, Lecturer , 2 semesters
2013–2015	Database Systems at University of Oslo, Norway Bachelor level, Guest Lecturer , 2 semesters

2009–2011	Data Structures & Algorithms at University of Leuven, Belgium Bachelor level, Teaching assistant , 3 semesters
2008 Fall	Software Engineering at Isik University, Turkey Bachelor level, Teaching assistant , 1 semester

Students supervised

2016–today	Improving the usability of ontology-based visual query formulation tools Student: Vidar Klungre PhD Thesis (co-supervisor), University of Oslo , Norway
2016–2017	Ontology-Based SPARQL Extension Ranker Student: Magnus Arneberg Nilsen Master Thesis (supervisor), University of Oslo , Norway
2015	An Online Payment and Invoicing System Students: Fredrik Andre and Kim Erik Bachelor Thesis (supervisor), Gjøvik University College , Norway
2014–2015	Ontology-based Collaborative Visual Query Formulation Student: Yasar Mumtaz Master Thesis (supervisor), University of Oslo , Norway

Professional Activities

Educational

2018–today	Member of Teaching Committee (Undervisningsutvalget) at NTNU, Norway Department of Computer Science
2018	External examiner for a master thesis at University of Oslo, Norway Department of Informatics
2017	Chair and member of PhD thesis assessment committee at NTNU, Norway PhD Candidate Zenun Kastrati

Administrative

2018	Member of advisory and interview committee for hiring at NTNU, Norway Associate Professor position
2018	Chair and member of external hiring committee at NTNU, Norway Associate Professor position
2018	Chair and member of internal hiring committee at NTNU, Norway Associate Professor position

Journal board

2019–today	Editorial board member for Information journal
2018–today	Editorial board member for Sensors journal

2018–today	Editorial board member for Scientific Programming journal
2017–today	Editorial board member for Journal of Web Semantics (JWS)
2017–2018	Guest editor for Multimodal Technologies and Interaction Special issue on Interactive Web
2016–today	Editorial board member for International Journal of Privacy and Health Information Management

Conference chair

2019	Vice chair for RuleML+RR 2019 Rules Challenge track – The 3rd International Joint Conference on Rules and Reasoning
2018	Vice chair for ODBASE 2018 – The 17th International Conference on Ontologies, DataBases, and Applications of Semantics
2018	Track chair for Innovate-Data 2018 (Data Visualisation track) – The 4th International Conference on Big Data Innovations and Applications

Project reviewer

2018	Reviewer for Netherlands Organisation for Scientific Research (NWO), Netherlands
2018	Reviewer for Leibniz Association, Germany
2017	Reviewer for Netherlands Organisation for Scientific Research (NWO), Netherlands
2014	Reviewer for National Science Centre, Poland

Journal reviewer

Computer Standards & Interfaces;
 Web Semantics: Science, Services and Agents on the World Wide Web (JWS);
 Journal of Web Engineering (JWE);
 Journal of Ambient Intelligence and Smart Environments (JAISE);
 International Journal of Privacy and Health Information Management (IJPHIM);
 International Journal on Semantic Web and Information Systems (IJSWIS);
 Production & Manufacturing Research
 Journal of Internet Services and Applications (JISA);

Talks

- 07.11.2018 | Title: **euBusinessGraph – Leveraging the European Big Data Initiatives**
Place: Digital Innovation Hubs Working Group Meeting on Big Data and Artificial Intelligence, **European Commission**, Brussels

Open Software

- 2013–2018 | **OptiqueVQS** developed within Optique project
Purpose: Ontology-based visual query formulation.
<https://gitlab.com/ernesto.jimenez.ruiz/OptiqueVQS>
- 2013–2018 | **Ontology services toolkit** developed within Optique project
Purpose: Ontology projection for navigation.
<https://gitlab.com/ernesto.jimenez.ruiz/ontology-services-toolkit>
- 2013–2018 | **PepeSearch** developed within Semicolon II project
Purpose: A SPARQL query interface.
<https://github.com/guiveg/pepesearch>
- 2008–2012 | **Semantic Web Component** developed within my PhD work
Purpose: Linked data browser for end users (not maintained).
- 2008–2012 | **WIPLE** developed within my PhD work
Purpose: Widget-based personal learning environment (not maintained).
- 2007–2008 | **Feedback plugin** developed within iCamp project
Purpose: A social networking tool for e-learning (not maintained).

Honours, Awards, & Fellowships

Awards

- 2017 | **Outstanding reviewer** by Journal of Web Semantics (Elsevier)
- 2015 | **Best demonstration** at the International Semantic Web Conference (ISWC'15)
- 2016 Fall | **Second place by IMT3891 Web Project III students** at the hack4no idea competition

Honours

2008	Graduation with distinction (M.Sc.) from Isik University, Turkey
2006–2008	High honour (M.Sc.) from Isik University, Turkey
2006	Graduation with distinction (B.Sc.) from Isik University, Turkey
2002–2006	High Honour (B.Sc.) from Isik University, Turkey

Fellowships

2013–2013	Visiting researcher fellowship to University of Oxford, the UK
2012–2015	Postdoctoral Research Fellowship from University of Oslo, Norway
2008–2012	Ph.D. Fellowship from University of Leuven, Belgium IOF Industrieel Onderzoeksfonds (Industrial Research Fund)
2006–2008	M.Sc. Fellowship from Turkish Scientific and Technological Research Council (TUBITAK), Turkey
2006–2008	M.Sc. Fellowship from Isik University, Turkey
2002–2006	High Achievement Scholarship (B.Sc.) from Isik University, Turkey
